

2024 Consortium Data for Lunch

SPONSORSHIP OPPORTUNITY

California's water future is essential to everyone who lives and works in this state—and so are the data driving decisions about water today. Support effective, informed water management by sponsoring this powerful event series.

2024 Data for Lunch Series

The California Water Data Consortium [Data for Lunch](#) series provides a free venue for water professionals, researchers, policymakers, and other stakeholders to learn about and discuss emerging water-related datasets, technologies, and governance structures that are changing water management in California and beyond. Learn more about our 2024 series, *Better Decisions come from Better Data*, at cawaterdata.org.

The 2024 *Data for Lunch* series will include 4 – 6 virtual events focused on this year's theme, *Better Decisions come from Better Data*. The Consortium is offering a sponsorship opportunity to support the year-long series.

\$5,000 Sponsorship

Your 2024 *Data for Lunch* sponsorship:

- Powers productive discussions, connections, and actions on this topic
- Keeps this session free to participants and its presentations open to the public
- Demonstrates your commitment to smart, equitable, resilient water management
- Aligns your organization with leading water data thinkers and innovators

Sponsor Benefits

As a 2024 *Data for Lunch* sponsor, you'll be:

- Invited to recommend event speakers and panel discussion topics
- Presented as a partner on the Consortium's *Data for Lunch* webpage, with your logo and a link to your website
- Featured in each event's marketing materials, e-blasts, and presentations
- Recognized in posts about *Data for Lunch* events across social media channels where the Consortium is active

Life-giving water, expertly managed, equitably shared—all of it takes accurate, open, accessible data. California continues to lead by example. Join us as part of the solution.
